

FOOTSTEPS THROUGH TIME.

TO THE CHAPERONES

We believe that on site programs provide a valuable educational experience for students. The experience of “being there” helps students to connect their current learning to the past and helps add realism to the topic of study.

Thank you for giving your time and support to these important activities. While we hope you enjoy your visit, our primary focus is the educational opportunity for the students. We need your active support and participation to ensure that they have a memorable and positive learning experience. We ask your cooperation in the following:

- ☛ Please follow the directions of the docents and guides, even if other groups do not. Student behavior is your responsibility. Please model appropriate behaviors for students.
- ☛ Please stay with your student group throughout your visit. Chaperones must be readily available, be mindful of safety concerns, and respond to students’ needs.
- ☛ We need at least one chaperone or teacher to remain at the back of each group, to insure that we stay together.
- ☛ This tour should be a memorable, learning experience for the students. Please encourage student attentiveness, questions, and participation. Refrain from asking questions that do not relate to the grade level focus of the tour.

YOUR PARTICIPATION IS IMPORTANT TO THE PROGRAM’S SUCCESS!
